_____ **4' x 20' Bed (8 available)**

_____ **4' x 8' Bed (4 available)**

A plot fee of \$20 (per calendar year) is required before the plot can be assigned. This fee will go toward expenses of the community garden (water bills and maintenance).

A clean-up deposit of \$20 is required before the plot can be assigned. The clean-up deposit will be returned in the fall after you have removed all of our plants and cleaned your plot.

Each gardener's commitment to the following items is important:

- Tending to garden weekly, if not daily
- Keeping paths clear, and keeping all plants and compost within the plot
- Being courteous to other gardeners and cooperative in spirit
- Helping with work parties, garden projects, and related events

The garden depends on its gardeners to keep plots, paths, and community areas productive and looking attractive to their fellow gardeners, the general public and the neighborhood. Each gardener is expected to volunteer a minimum of **12 hours per year** to maintain common areas.

Please mark three areas that you would be interested in volunteering with during the year. Each gardener is expected to help during the year with general chores.

- ___ Site Maintenance
- ___ Path Maintenance
- ___ Construction Projects
- ___ Watering
- ___ Annual Planting
- ___ Fall Cleanup
- ___ Composting

I have read the Community Garden Rules and understand that failure to meet the guidelines will result in loss of cleanup deposit fees and gardening privileges.
